TO: Chief D/5

FROM : Chief, Intelligence Information Staff, ORR

SUBJECT: Utilization of Reporting from and on Egypt, Week of 6 May 1956

1. In connection with an assessment of reporting on Egypt for the week beginning 6 May 1956, ORR has been requested by the Assistant to the DD/I (Planning) to review selected field reports and information items and to provide the following information:
 - a. Basis for selecting or rejecting each item for use;
 - b. Use to which each item was put, in connection with briefings, preparation of reports, attendance at meetings, etc.;
 - c. Future usefulness of each item.
2. On List A, attached, items have been checked which were routed to your unit. Please provide the above information on each of these.
3. Also routed to your unit were FBIS Daily Reports covering the period under review (see List B), as well as FDD Summary No. 977 (see List C) and FDD Summary No. 990 (see List D). If any items in them were pertinent to your activities, please provide similar comments.
4. If assistance is needed in locating any of the items mentioned above, phone [REDACTED] (x4513) or [REDACTED] (x666).
5. Contributions should reach the undersigned by noon, 24 July 1956.
